Kindergarten Information Evening

Tuesday, March 15, 2011 from 6:30 to 7:30 P.M.
St. Paul's Lutheran School, 605 S. Center St., Bremen, IN 46506

Dear Parent of a 2011-2012 Kindergartner,

Greetings! The love of Christ be to you and to your family from our family, the children and staff of St. Paul's Lutheran School.

This current year's school theme, "Securing Each Child's Future - Making Disciples" (Based on John 8: 31b-32), reminds us that the ultimate future is found only in Christ Jesus. By being His disciples we see more clearly that we have been set free to follow Him. Thus, St. Paul's offers a nurturing, Christ-centered environment with a complete curriculum for Kindergarten through 8th grade. Our purpose is to foster this freedom, and to help our students to develop their full potential of life skills for Christian service.

YOU ARE INVITED to bring your Kindergartner-to-be to visit St. Paul's School on Tuesday, March 15, 2011, from 6:30 until 7:30 P.M. Your child will have the opportunity to join our kindergarten teacher, Mrs. Middaugh, in a short class session with the theme of "Wild about Kindergarten". Parents may tour the school and ask questions about the school and its programs during this time.

Parents may register their student for this information evening by returning the half-slip registration form attached to this letter, e-mailing information to mailto:schools@stpaulsbremen.org, or by contacting the school office at 546-2790. (This is just to give us an idea of who will attend the evening open house; it is not a commitment to attend St. Paul's School.)

According to policies established by St. Paul's School Board, prospective kindergarten students must be five (5) years of age on or before August 1, 2011, or seek a waiver. Questions concerning eligibility may be directed to the principal at the school (546-2790) or at home (546-4277).

It is our hope that St. Paul's school family will soon have the opportunity to share with your family the joy which God has revealed in His Word. St. Paul's Lutheran School offers an education with Christ as the center of every subject. We strive to help your child be the best person he/she can be.

My prayer for you as you enter into this new era of your child's life is that you will truly consider educating all areas of your child's being --- mental, physical, social, and spiritual. May God bless the educational decisions you make for your child.

Serving His Children,

James R. Russell, Principal
